Police-

August 2026

Patrol Operations/ Calls for Service / Incidents

- 70 hours worked for the month of August
- Slow month for traffic incidents and traffic stops - lots of personnel out for vacations and

military duties. Functions will be back to normal in September.

- Multiple officers put on detail for Officer Jewell's funeral.
- All shifts completed business checks throughout the village.

Administrative Activities

- Submitted all Agency/User Agreements to the State of Ohio/OHLEG. Audit has been completed.

- All SF401's completed for those that have left the PD in the last 3 months.
- Process started for a ballistic vest grant to get all patrol officers new vests.
- Research continued for a vehicle grant to replace the current patrol vehicle.

Personnel & Equipment

- SGT Hocevar had a plaque made for Officer Jewell's family and used 1 dept patch + 1 badge. He asks that there be funds set aside to replace the badge used for the plaque.

He

has covered the cost of the plaque and patch. A badge is \$130.

- Range day will be scheduled in October to qualify all agency personnel with side arms.

SGT Hocevar will be donating ammo for the day to get officers qualified.

Overall Activity

- The village experienced a relatively quiet month with minimal enforcement activity and few calls for service.
- Department efforts focused on routine patrol, administrative compliance, personnel management, and community outreach.
